

IEEE MEETING SERIES FUTURE DATES AND LOCATIONS

The IEEE Meeting Series takes place three times per year and comprises a series of administrative meetings of the IEEE Board of Directors, the major organizational unit (OU) boards, and the various standing committees of both the IEEE Board and OUs. Announcement of the Series and its opportunity to register for attendance are distributed via an electronic invitation process to the volunteer leadership and staff whose attendance is requested.

IEEE Meetings, Conferences, & Events (MCE) is responsible for the overall event management, the invitation distribution process as provided by the individual OU and IEEE Board staff liaisons, as well as the registration and hotel accommodations process.

Please contact IEEE Meetings, Conferences & Events (MCE) for any inquiries pertaining to the Series at MCMeetingSeries@ieee.org or via phone at +1 732 562 6873, Jacqueline Armstrong, Director, MCE.
